DOC CEBU drafted the leader for two and half miles and then assumed command heading down the hill for the final time and maintained that position to the wire. PURED IT lagged in the early stages and then got in contention, rallied down the hill for the final time to get to the leader at the final jump but then could not make further progress. MONSTALEUR raced mid pack in the early stages and then took command, gave way at the top of the hill for the last time, then backed up going down the hill but maintained third position. DADDY IN THE DARK was no threat here. RAVEN'S CHOICE failed to menace. GRAND MANAN was twenty lengths in front when he unseated his rider at the eighth jump and walked off.
