WORLD OF TROUBLE responded to an abbreviated ride after the start to take up the role of primary pursuer, was patiently ridden while in accompaniment with **WEATHER REPORT**, in path two, was still in reserve striking the front as the half was being completed, drew out to lead by a comfortable margin during the ensuing furlong, saw the pilot go to work in the final furlong and stayed well in the clear. **DIRTY** mostly along the inside route during the initial stages, got guided to the outside coming up to the conclusion of the backstretch, made his way into the two path and was called upon for run, but not before putting **TOTALLY BOSS** in close proximity to heels and leading its pilot to steady the mount, drafted behind the winner stepping into the stretch, tipped one path wider after settling in, proved no match while finishing far ahead of the rest for the place. **REED KAN** appeared to take an awkward step lunging to the right at the start, was gathered in by the pilot, sat isolated at the back of the pack, slow to settle into stride, departed the backstretch three wide, continued along one-paced during the run around the bend, improving only due to the pace having softened after the first fraction had been recorded, was angled six wide heading for the three-sixteenths pole, responded with some energy after being given his cue to finish a non-threatening third. **COLONEL TOM** three wide on the turn, gave way. **WEATHER REPORT** along the inside, vied with the winner for the opening half and faltered. **TOTALLY BOSS** off the inside throughout, appeared unsettled pulling on the left side of the bit late on the backstretch, got checked of the heels of a shifting **DIRTY** a short distance beyond the half mile pole, fell back the rest of the trip on the turn, drifted into the lane with little left and retreated.
