SILVER TUNES broke sharp to dictate the pace down the backside, continued to set the fractions uncontested through the turn, opened up at the top of the lane and had enough left in reserve late to hold off foes at the wire. MISS BOBBIT was rated inside in the early stages, angled out widest near the back of the field for the drive in the stretch, was gaining steadily while not changing leads and just missed when they hit the finish line. MIDNIGHT MEADOW tracked inside just behind the winner in the beginning, was shuffled back briefly on the fence with three eighths to run, was looking for clear running room in mid stretch and showed good interest to get up for third in a close photo. TICKLE HER TOE took a stalking position early mid pack between rivals, rallied between horses three furlongs from the prize, had dead aim when they entered the lane and could only finish up evenly just losing the show bob at the line. TAKE IT EASY had a stalking outside trip down the straight away, waited to pounce three wide outside foes on the turn, loomed boldly four wide as they entered the top of the stretch but needed more late to be a factor. GORMLEY GIRL was unhurried early settling at the back of the pack down the backside, offered a mild burst of energy mid point on the turn but could not reach contention throughout the final furlong.
