LA SARDANE (FR) bumped into by MALIBU STACY leaving the gate, was pushed in for the next couple of jumps afterwards, recovered and took up position in the two path in midpack, sat reserved taking up the chase, picked up interest approaching the end of the bend, was given her cue and challenged in earnest at the three-sixteenths pole, four wide, fought her way to lead, but only narrowly, a sixteenth later, dug in gamely to preserve the decision. FAYPIEN away alertly, had control established in short order, cut over to the inside route, was pulling a bit on the bit showing the way on open lead during the initial stages, felt an uptick in pressure during the last few jumps of the run around the bend, shifted into path two when called upon for a response at the head of the stretch, got headed after finishing the run through the furlong grounds, was resolute to the end, but couldn't reclaim the top from an equally-determined opponent. HEAVENLY SCORE stalked the pacesetter from path two, was put to a drive spinning three wide into the stretch, held on well for the show. MALIBU STACY made contact with the winner after bobbling outward from the start, went on to kept watch on the leader loosely pocketed, closed the gap after the half had been completed, was set down stepping into the stretch, put in a good run from that juncture until the general area of the sixteenth pole before flattening out. ALWAYS THINKING bumped from both sides at the start, took up the chase three wide, fanned out into path four during the initial portion of the stretch, lacked the needed late headway. DELECTATION (GB) two wide entering the turn, was sent five wide exiting it, failed to make any impact. STORMY VICTORIA (FR) appeared to scrape the gate after breaking slightly to the outside, departed the backstretch towards path two, was angled five wide into lane, got maneuvered between that path and path three idling behind rivals for a good portion of the stretch drive. THUNDERING SKY required a half panel to settle into stride after being one of four bumping into each other at the break, got guided over to the rail and would remain along it to the quarter pole, was worked out into path four from upper to midlane, failed to rally.
