DIXIE SERENADE made light contact with MIA MISCHIEF right after the start, was gradually moved over to the inside route, getting there by the conclusion of the backstretch, was put to a drive a short distance from the end of the bend, angled into two path for the start of the stretch run, gained on the front runners during the ensuing furlong, made progress more readily in the late stages, shooting by several rivals to get up right near the finish line. CLASSY ACT got engaged in a protracted duel with MIA MISCHIEF, sparred with that foe taking the two path on the turn, was called upon more as the tussle spilled over into the stretch, forged to a slim lead, dug in with determination only to get nailed by the winner, after having done all the dirty work. SOWER briefly spotted along the rail on the backstretch, tipped into path three in time for the commencement of the run around the bend, sat perched three wide, with a good view of the ongoing pace dispute, spun into the lane and went after them in earnest, whittled away at the deficit, got staved off. SEPARATIONOFPOWERS was checked after stumbling at the start, recovered and took up the chase in path two, got driven three to four wide into the stretch, steadied when momentarily caught in tight off the heels of another in midstretch, got going again and resumed course towards the middle of the stretch, rallied with with good courage in path seven in the final stages to earn the final significant slice of the pot. MIA MISCHIEF brushed with the winner after bobbling at the start, recovered in short order and zipped to the top, went at it with the runner up, placed along the rail after stepping onto the turn, fought with distinction before weakening in the last jumps. SPECTATOR near the inside on the turn, failed to make her presence felt. TAKE CHARGE PAULA hung out on the overland route on the bend, went in the path eight down the lane, continuing along as being widest of all. NORMA'S CHARM three wide onto the turn, was one path farther off the rail exiting it, tired.
