HENRO secured inside position around the first turn and was nicely rated sitting in range, remained along the inside and waited patiently around the final turn, angled to the three path at the head of the lane, came under right handed pressure, responded, roused forward to challenge JUST A TOUCH for the late lead, poked ahead in front, dug in gamely and prevailed. JUST A TOUCH was forwardly placed around the first turn then pressed the pace up the backstretch, moved up to engage rival for the lead near the quarter pole, took a slight edge a furlong out, continued on top then challenged by HENRO deep stretch, duelled heads apart, fought on gamely from the inside and just missed. NORTHERN FLAME set a pressured pace around the first turn and up the backstretch, continued with a slight edge then took on the challenge of JUST A TOUCH late on the far turn, fought back gamely to the furlong marker, got collared for the lead and weakened to show. DIMATIC was unhurried and raced off the early pace, saved ground and edged closer late on the far turn, tipped a path wider for the drive, kept on with interest but needed more for serious impact. MUGATU settled off the early pace and saved ground, came under a ride, angled out near the quarter pole, came five paths wide into upper stretch and lacked a needed rally. CASCADE CRUISER raced four wide entering the first turn then quickly advanced to be forwardly placed entering the backstretch, stalked in striking distance to the far turn, hustled along three wide, came four paths wide into upper stretch then gave way. NEXT LEVEL raced off the early pace, hustled along three wide into upper stretch and failed to threaten. ZATARA settled around the first turn, raced near midpack going through the backstretch, failed to move on when called upon around the far turn and steadily weakened. OKIE CLIPPER was forwardly placed around the first turn then weakened and raced just off midpack, failed to kick on when called upon around the final turn and gave way. This race had a timing discrepancy or malfunction and was re-timed using video technology to arrive at the most accurate time.
