FULL COUNT FELICIA loped along on the fence setting an easy pace down the backstretch, improved the margin up top while unopposed at the half, opened up on the field moving well in hand turning for home and under mild asking cruised home for a comfortable victory in the end. MILLIE GIRL was unhurried trailing the field down the backside, began to go past runners three wide with three eighths from the line, angled to the six path for the drive, continued a good sustained run in the stretch and moved in late to capture the runners up share. FIVE TOWNS (GB) settled outside rivals near the back of the pack, stalked in the third tier three wide through the turn while keeping pace with others, started to extend her stride five wide straightening out for home, ran on gamely trying to reel in the winner at the furlong marker and faded a touch late to lose second money in deep stretch. FASHIONABLY FAB ran between horses in mid-division down the back straight, was in the third flight between foes through the turn, rallied three wide around rivals at the three furlong pole, had no room behind challengers in upper stretch, shifted inwards to the two path by the quarter pole and finished with intent to win the battle late for a minor role. FOREVER AFTER ALL was on the rail in the middle of the pack along the backside, took closer order to track the frontrunner on the fence at the half, had a chance for a share of the prize while on the rail at the top of the stretch, duelled for a minor share inside but lost the nod at the wire. ELYSIAN FIELD was content to sit just outside off the leader down the backstretch, tracked between foes with a half remaining, chased in the three path with runners on both sides in upper stretch, had little left by mid-stretch and gave way. FOREVER DIXIE was ahead of one runner while settling on the rail along the backside, saved ground but made little impression on the fence through the turn, could see the field straightening out for the drive and did not offer a rally down the lane. STAR FORTRESS (IRE) travelled in midfield three deep outside rivals, closed in to track three wide by the half, was in the hunt battling for the place share while in the four path at the top of the stretch, could not go on with others and emptied out with three sixteenths from the wire.
