MISTER WAYSIDE broke alertly, clear past the stands the first time, asked onto the backstretch to once again establish a daylight advantage, maintained daylight into and through the final turn, not threatened through the stretch under steady handling. RED MOUNTAIN settled off the pace while off the rail, moved in and advanced closest to the winner late in the final turn, could do little with that one in the drive, edged clear for the place. SOUL SACRIFICE forwardly placed after the start, asked and made an early bid inside the winner through the first turn and onto the backstretch, fell back off that one the next furlong, moved out, offered little resistance to the runner up outside that one turning for home, saved the show late. SEND THE BOSS hopped at the start, lacked early foot, improved position and was slowly gaining for the show spot late. TOMMYHAWK broke back and was never a serious threat. SWORD OF GOLD settled in mid pack, lacked a closing bid as well. I'M ENTICING forwardly placed in the early going off the inside, began a steady retreat after a half. This race had a timing discrepancy or malfunction and was re-timed using video technology to arrive at the most accurate time.
