BLACK STETSON got sent over to the rail with the lead after the start, showed the way on the turn being pressed by a pair of opponents parked out in paths two and three respectively, began to inch away coming up to the quarter pole, settled into upper stretch and was called upon for more, padded the margin so as to commence the final furlong holding its largest lead, saw the runner up whittle away with well under a sixteenth to go, yet remained safely in the clear. NOOTKA SOUND remained forwardly placed after the start, forced the issue as the widest of three from path three from the crown of the bend to its end, shifted more into path four stepping into the lane, gained well in the final seventy yards but couldn't get there in time. COLTANDMISSISSIPPI pursued the ontgong pace disptue three wide on the turn, got angled out five to six wide coming into upper stretch, straightened away and rallied for the show. AMBASSADOR JIM was quickly placed along the inside route, saved ground for nearly a half, moved to the outside for the stretch run until towards path six, mustered up a mild response good enough to claim the final significant slice of the pot. ALL SYSTEMS GO lost his footing shying away from its next door neighbor right after the field had been sent off and running, got set up on the rail, cut the corner under a full drive, closed in but without making its presence felt. SMOOTH B got guided into path two after the start, disputed the pace from between foes on the turn, hand urged, swung into the lane and remained a prominent factor for another furlong before weakening. BARBAROSSA had the pilot take hold after breakking a bit to the outside, took up position along the rail, tipped to the outside after completing the half, failed to fire, then was reported after the race to have bled.
