BACKTOHISROOTS had the pilot gather the mount after breaking to the inside, settled along the rail and got going, disputed the pace as the innermost of a threesome during the run around the bend, issued a successful challenge as the half was being completed to lead the field into the stretch by a narrow margin, drifted out about five wide all told at intervals yet managed to kick well clear. ABSENTEE away without apparent mishap, took up position in the three path proceeding along the backstretch, advanced enough so after stepping onto the turn to vie as the widest of a three, was given his cue spinning into the stretch, shied a bit to the outside then altered course a couple of paths towards the rail at the furlong grounds, responding to the wayward ways of the winner at that time, proved no match. WALLACE saw the rider take hold after losing his footing springing from the starting gate, cut over to the inside route and made no impact off the ground-saving journey that followed. HONORABLE HERO pursued the front runners from path two on the turn, got angled four wide during the initial portion of the stretch, had no offering. NEVERLAND ROCK (GB) broke alertly and retained the advantage, remained in path two showing the way, came under pressure from both sides shortly after stepping onto the turn, saw it pick up in intensity scooting by station after station, relinquished as the half was being completed, fell back steadily during the stretch run.
