SASSY AGNES broke on top, cemented herself to the lead with some hand encouragement, cut the pace towards path two, still under some coaxing by the pilot, was put to stronger handling being challenged in earnest by MY BEST FRIEND as they turned into the lane, responded and kicked away to her largest advantage during the ensuing furlong, drifted out the final sixteenth, rider futilely flashing the whip from the right side, but kept going well enough long enough to preserve the decision. ESPRESSO SHOT placed under a ride, although not of the vigorous variety early on the backstretch, dove over to the rail for a respite lasting from right around the top of the turn to the five-sixteenths marker, got cued up angling to the outside from that station, wound up approximately five wide a furlong down the road, closed in well with good energy rallying for the place. TAKE ME TO HARDOON took up the chase two to three, held on reasonably well in the final stages to grab the show. MY BEST FRIEND forwardly placed three wide, issued a challenge as the half was being completed, kept up the task before weakening in the final sixteenth. SADIE LADY recovered after losing her footing springing from the starting gate, loosely drafted behind the winner for much of the initial half, under some hand urging while doing so, stepped into the stretch and had no rally. ELEGANT ZIP made no impact off a ground-saving journey. KEPT TRUE pursued the front runners from path three, got worked into path four from upper to midstretch, came up empty. SURGE OF PRIDE rode the rail on the turn, swung four wide into the lane, failed to muster up a closing punch. MAIDEN BEAUTY sighted three wide and pulling on the left during the run around the bend, was never in the hunt. WAIT A MINUTE corrected after breaking slightly to the outside, took up the chase from path, failed to make her presence felt. COLLEGEVILLE GIRL travelled two wide, was never in contention. SHE'S SO SHEA D was backed out and re-mounted after acting up in the gate, departed the backstretch from path four, was through after going a half. All riders carried two pounds extra as mandated by a weather-related safety initiative.
