ICE IT was in no hurry for the first mile, started to get into the mix heading down the hill with a circuit to go, things got tight after the first jump on the backside between ICE IT and GIBRALFARO but ICE IT just layed off slightly from that rival keeping the pressure on, he went to the outside heading into the straight and battled hard over the last two jumps to get up for the win. GIBRALFARO (IRE) broke sharply and soon took over the lead after the first half and maintained a slight advantage from a pestering ICE IT on the backside for the final time, when that rival hooked up on the outside at the head of the lane and the two went at it over the last two and he just missed at the wire. SET TO MUSIC was well placed and rallied with the two front runners going up the hill for the final time and was right there jumping the last but failed to sustain bid. BOSS MAN took command shortly after the start gave up the lead with a circuit ro go and was still in contention heading for the backside for the final time then retreated. VENEER OF CHARM (IRE) raced midpack with a circuit to go and stopped on the backside for the final time. MUTASAAYW was never in the race and was trailing when made a mistake jumping the 2nd last fence and bobbling on the landing side losing his rider, horse and rider walked off.. There was a foul claim GIBRALFARO (IRE) against ICE IT, on the backside, claim disallowed.
