ANOTHER BROAD made light contact with JUMP RULER after losing her footing springing from the starting gate, took up position near the back of the back, sat well reserved in path two, partnered up with MY MISS LILLY to her inside for the opening three-quarters, was put to a drive for the drive home, narrowed in on the one to catch over the course of the next furlong, forged on ahead, striking the front end with approximately a sixteenth to go, edged away. FOREVER LIESL strung out three wide on the clubhouse bend, was one path farther off the rail on the subsequent one, had already been under a ride for a sixteenth prior to spinning as wide into the stretch, was the outermost of three teamed up with each other on near even terms closing in on FROSTIE ANNE, got beat to the punch by the winner, ventured onward energetically to procure the place. MY MISS LILLY quickly sent over to the rail, took it until almost the end of the far turn, was switched over to a drive at the five-sixteenths marker, angled two wide into the lane and took off in earnest after the lead, was between rivals rallying from the head of the stretch to around the sixteenth pole, flattened out a little late and had to settle for the show. FROSTIE ANNE proceeded into the gate without most of her customary bad antics for the loading process on display, narrowly broke on top once the field was sent off and running, was allowed to spurt off to a loose lead by JUMP RULER as the twosome made their way towards the end of the homestretch, sailed along in path two unopposed, was still in hand as the four closest pursuers, all under encouragement of varying degrees themselves, began to close the gap past the five-sixteenths pole, got asked for more spinning into the lane, with a firing line composed of three in hot pursuit, got reeled in in the vicinity of the sixteenth pole and weakened. MIDNIGHT DISGUISE in the two path in pursuit of the loose leader, backed away readily down the stretch. JUMP RULER went on to stalk FROSTIE ANNE two to three wide for three-quarters after yielding control gave way after going six furlongs.
