With this sextet sent onto the track at 2MTP, DAYOUTOFTHEOFFICE assumed a prominent position after the field had been sent off and running, rated kindly prompting the pacesetter from the two path, moved when ready to take charge as three-quarters was being completed, got set down stepping onto the top of the lane three wide, protected her advantage during the ensuing furlong, came out slightly from some left side pressure thereafter, but held sway. VEQUIST kept watch on the front runners within striking distance, spaced just off the rail, was set down to a hard drive coming approximately four wide into the lane, got staved off. CILLA off the inside throughout, underwent a three wide pursuit on the turn, commenced the stretch one path wider, proved no match. JOY'S ROCKET established the top after some light hand urging on the chute, cut over to the inside, showed the way, with the winner in attendance from the outside, got overpowered by that opponent as the third fraction was about to be posted, stepped into the lane and backed away readily. CANTATA guided onto the inside route coming up to the conclusion of the backstretch, tipped towards path two for entrance into the lane, never made her presence felt. GET ON THE BUS settled at the back of the pack, departed the backstretch from path two, was still in it heading home, had no offering.
